## **Utkarsh Patange**

**Present Address** 

Room 101, Hall 3 IIT Kanpur, Kanpur Uttar Pradesh 208 016 +919651743002 **Permanent Address** 

Sahyadri Hospital, wadia factory area Shivaji Nagar, Nanded Maharashtra 431 602 +91 (2462) 230597

**Objective** 

Summer position that will use my computer skills.

**Education** 

Indian Institute of Technology Kanpur BTech. in CSE, expected July 2015 G.P.A. 9.4/10.0

Major Subjects	Grade
Data Structures and Algorithms	Α
Intro. to Computer Organisation	Α
Computing Laboratory I-II	Α
Mathematics in Comp. Science	Α
Abstract Algebra	A
Logic in Comp. Science	A

## Experience

Project, Surge project under Prof. Ajai Jain

Summer 2013

- Developed an algorithm to find the Shortest time path in a Railway Network.
- Implemented the algorithm in C++ platform

Assignment, As part of Introduction to Computer Organization course 2012-13

- Made a General Purpose Computer to run small programs on an FPGA kit
- Implemented as a Finite State Machine in Verilog

Assignment, As part of Computing Laboratory course

2012-13

- Created an Online Room Allocation Facility
- Log-in based system
- Appropriate priority assigned according to nature of applicant (Professor, Gymkhana member or Club Co-ordinator)

**Project,** ACA project under ACA co-ordinator Pankaj Jindal

2011-12

- Created an encrypted chat client.
- RSA encoding was used in C language.

## Leadership Activities

Co-ordinator, India Haat, Antaragni '13

2013
